## Original Dataset

The original dataset provides a daily record of the exchange rate. The dataset is converted to contain average monthly reports with a simple preprocessing step. The original dataset is available in [this page](#) from the Central Bank of Iran.

## Missing Data

The data missing datat for the last month of the year 1379 in the original dataset has been filled by averaging the trend of the months before and after it which seemed to be stable at the mentioned time interval.
