Source

Original Dataset

Years 1352-1399

This dataset is available in [this page](#) from the Central Bank of Iran under the menu Monetary and Credit Aggregates > Liquidity > Liquidity (by its Components) .

Years 1344-1385

- Web page: [Statistical Center of IR](#)
- Downloadable File: [Statistical Center of IR](#)

Missing Data

The information in [this report](#) from the Central Bank of Iran was used to fill in the liquidity of the years 1400 was missing in the original dataset.

Malformed Data

In the datasets referenced earlier, the liquidity values of years 1394-1399 have been written in thousand billion Rials instead of billion Rials. The source to this correction and the right values of liquidity over these years can be found in the following two reports from the Central Bank of Iran.

- Year 1394: [Central Bank of Iran](#)
- Years 1395-1399: [Central Bank of Iran](#)
